Training Notes:

1. New Leader Essentials training (This Is Scouting), Weather Hazards, and Youth Protection Training, YPT (the new version) are now available online and they do not need to have a scheduled in-person class time. That said, Youth Protection Training is regularly scheduled for the last Tuesday of the month at 7 PM at the Eureka Scout Service Center, OTC, pre-registration is required. Current YPT is now required before this year's registration for re-charter.
2. District Youth Leadership Training will not be offered but it will be substituted with Unit Youth Leadership Training, where one or more troops provide the training to their newly elected Boy Scout leaders. Training should be led by the Scoutmaster and the Senior Patrol Leader or their delegates.
3. The Humboldt Hornaday Award Weekend is currently 4/29-4/30 2011.
4. Webelos-Wood (a.k.a. Webelos-ree) is actually a District Activities Committee event and not technically training, so they will be scheduled with other District events, such as Spooker-ree 10/22-23/10, Camp-o-ree 5/20-22/11, Scout-o-rama 4/16/11, etc.
5. The District Commissioner will schedule Commissioner's Training, January, 2011 within the District once or twice in the year.
6. Redwood Empire Council will also schedule council-wide training events, such as Wood Badge in September, University of Scouting in January, Interdistrict Training and Planning, Conference February, 2011 and Commissioner's College in February, and Trainer's Edge in March. There are also other Council training events such as Leave No Trace and Climbing Wall training to be scheduled.
